**is Hiring NOW!**

The California Democratic Party is building a coordinated program that will make millions of phone calls, knock on hundreds of thousands of doors, engage tens of thousands of volunteers, and build our capacity as a Party.

To make that possible, they need to be well organized, and must draw on all the talents of our Party leaders, activists, and partner organizations, and utilize the most cutting-edge technological tools. **That is where you come in.** The California Democratic Party is hiring Area Directors and Field Coordinators in your region and a statewide Data Manager!

You can apply and learn more about these opportunities [here](#).

The Party will have two programs: one for Battleground counties, including Alameda, Contra Costa, San Joaquin, Stanislaus, Fresno, Kern, Ventura, L.A., Orange, Riverside, San Bernardino, and San Diego where there are overlapping targeted races for Congress and State Senate and Assembly and one for the Blue Wave counties where the Party is building the base capacity.
