

Los Angeles County
DEMOCRATIC PARTY

Happy New Year, Los Angeles Democrats!

Welcome to 2020 and a brand new decade!

We started 2019 with Democrats taking over the House of Representatives, and ended the year by ensuring that this president

and future presidents know that no one is above the law.

Here are some of my favorite highlights from this past year:

- California Democrats elected and welcomed a new Chair, Rusty Hicks, who has already successfully maintained campaign promises and necessary changes during his First 100 Days.
- Our commitment to unions and organized labor remained one of our top priorities, as we helped lead the strikes with United Teachers Los Angeles, National Union of Healthcare Workers, the Autoworkers and so many more.
- Two incredible fundraisers, including a SOLD OUT Franklin and Eleanor Roosevelt Volunteer of the Year Awards.

As we look to this new year we have one shared priority: TAKE BACK THE WHITE HOUSE. This president, his administration and his Republican Party have shown us they are unfit to govern, and after our successes in 2018, I know we can show them once again that their policies and rhetoric are wrong for Los Angeles, wrong for California, and wrong for our country. I also look forward to our party focusing this year on keeping blue Congressional District 25, making blue City Council District 12, supporting our endorsed candidates, grassroots clubs and organizations, and setting our sights on the upcoming state and federal legislative agenda.

Thank YOU for another successful year of fighting together, learning together, and supporting Democrats all across Los Angeles and the country together, and looking forward to the months ahead.

Wishing you and your loved ones a very happy start to this new year,

Democratically Yours,
